Haunted Huguenot Street is sponsored by Americas Best Value Inn; Lothrop Associates; and Riverside Bank, A Division of Salisbury Bank and Trust Company. Supported in part by Upstate Coalition for a Fairgame.

Following five successful years of this annual tradition on Huguenot Street, children and families are welcome to once again walk the street on Halloween night, October 31, trick-or-treating at the historic houses from 3:30 pm to 5:30 pm.

Free and open to the public, a portion of Huguenot Street will be closed to vehicular traffic while children trick-or-treat. Children and adults can expect to meet "residents" that span the National Historic Landmark District's centuries-long history, including colonial-era women, Revolutionary War soldiers, a Victorian-era socialite and her house maid, flappers from the Roaring Twenties, and other costumed interpreters.

Trick or Treat on Huguenot Street is sponsored by Ulster Savings Bank; Hudson Valley Federal Credit Union; Riverside Bank, A Division of Salisbury Bank and Trust; and Lothrop Associates.

About Historic Huguenot Street

A National Historic Landmark District, Historic Huguenot Street is a 501(c)3 non-profit that encompasses 30 buildings across 10 acres comprising the heart of the original 1678 New Paltz settlement, including seven stone houses dating to the early eighteenth century. Historic Huguenot Street was founded in 1894 as the Huguenot Patriotic, Historical, and Monumental Society to preserve the nationally acclaimed collection of stone houses. Since then, Historic Huguenot Street has grown into an innovative museum, chartered as an educational corporation by the University of the State of New York Department of Education that is dedicated to protecting our historic buildings, preserving an important collection of artifacts and manuscripts, and promoting the stories of the Huguenot Street families from the seventeenth century to today.
